

Rapid Regulatory Courses in HealthStream Getting Started Tip Sheet

Please note: Everyone is required to take two compliance trainings titled:

- Rapid Regulatory Compliance: Non-clinical I
- Rapid Regulatory Compliance: Non-clinical II

Depending on your position at CHA, you may have more courses on your list.

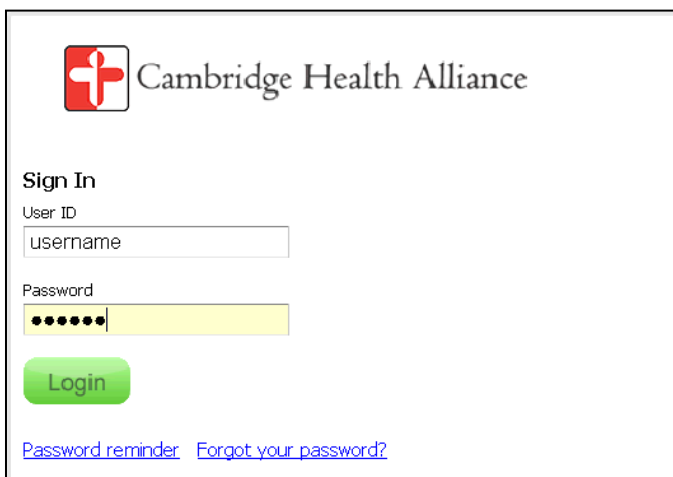

One must complete them all.

The website is

<http://www.healthstream.com/hlc/challiance>

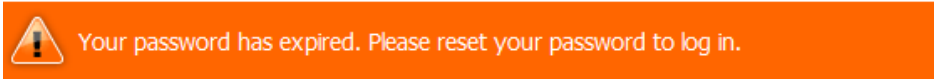

Use your network username and the first password is “chaolc”. You will be prompted to change it in the “my profile” section. If you forget this password, you can look at your password reminder or call the helpdesk to reset the password.

Enter in your username and the password is: *chaolc*

The screenshot shows the login interface for Cambridge Health Alliance. At the top left is the logo, a red cross on a white square, followed by the text "Cambridge Health Alliance". Below the logo is the heading "Sign In". There are two input fields: "User ID" with the text "username" inside, and "Password" with a masked password of six dots. A green "Login" button is positioned below the password field. At the bottom of the form, there are two links: "Password reminder" and "Forgot your password?".

Once you have logged into HealthStream, the screen will prompt you to change your password (old password: chaolc). After you have changed/updated your password, the system will require you to log in with your new password.

Rapid Regulatory Compliance: Non-Clinical: Part I Powered by HealthStream

Introduction

Welcome to Rapid Regulatory Compliance: Non-clinical: Part I.

As your partner, HealthStream strives to provide its customers with excellence in regulatory learning solutions. As new guidelines are continually issued by regulatory agencies, we work to update courses, as needed, in a timely manner. Since responsibility for complying with new guidelines remains with your organization, HealthStream encourages you to routinely check all relevant regulatory agencies directly for the latest updates for clinical/organizational guidelines.

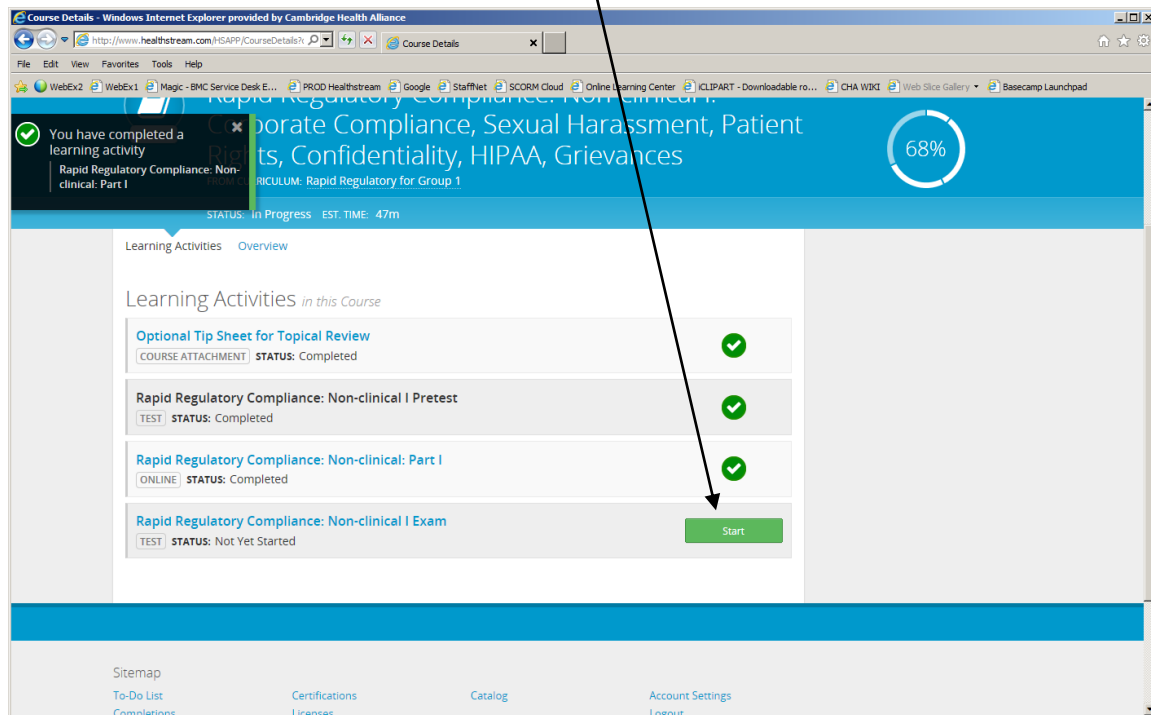

If you have concerns about any aspect of the safety or quality of patient care in your organization, be aware that you may report these concerns directly to The Joint Commission.

Use the navigation buttons at the bottom of the course to move through all course content to completion.

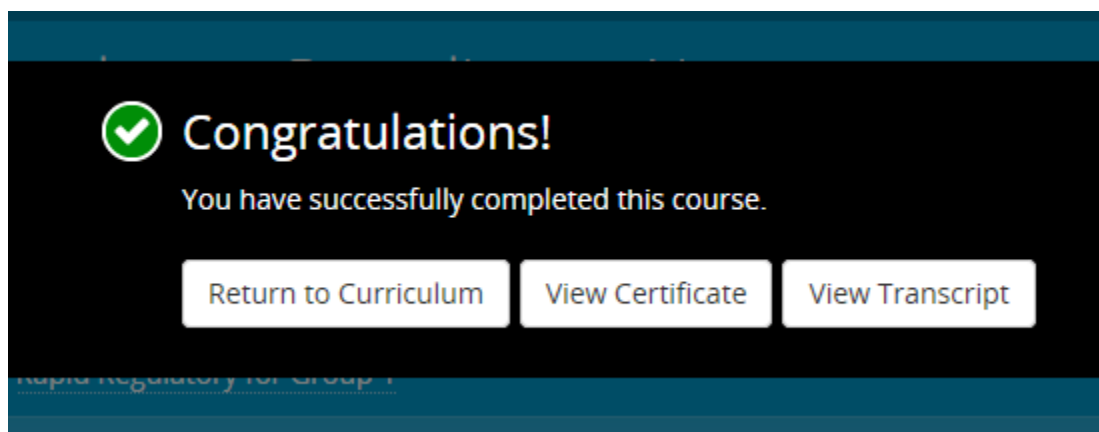

You may Exit Lesson and Resume this course at any time during the course.

Once you have viewed all pages of the presentation, click “Exit Lesson.” You will see a black success bubble on the top-left of the screen denoting completion of the course content. Proceed to the Exam by clicking Start > Start Test.

Once you have completed the Exam, click on Submit to receive your score. If you do not pass the exam, re-take it until you receive a passing score.

Once you have passed the Exam, please click on “Exit Test.” You may now do any of three things:

1. Return to Curriculum to begin the Pretest for your next required course;
2. View your Certificate of Completion for the course you just completed; or

3. View your Transcript, which will show successful completion of the course you just completed.

Regardless of where you choose to go, when you Return to To Do > Rapid Regulatory Curriculum, notice your Curriculum dashboard for Rapid Regulatory displaying a total completion % completion. If yours displays 100%, you have successfully completed your Rapid Regulatory requirements and may log out of the system.

All staff must complete *at least* Rapid Regulatory curriculum for Groups 1 and/or 2. If you pass the Pretest for both Groups 1 and/or 2 at first attempts, you have completed all requirements needed to begin employment and may log out of the system.

If further coursework is needed, click the Start button on the next course in the curriculum, and continue move though all courses within the Group as previous, until all are successfully completed.

The screenshot displays the 'Rapid Regulatory for Group 1' curriculum dashboard. At the top, navigation tabs include 'To Do', 'Completed', 'Profile', 'Catalog', and 'Connections'. The main header shows the curriculum title and a '25%' completion progress indicator. Below this, a list of courses is shown with their respective statuses and 'Start' buttons. The first course is completed, while the others are not yet started.
